Love life, drive slow Let the stars hidden in your mind glow Cadillac dreams,

Pack your troubles in the trunk of the limousine Black lights, high heels A fine lady moving in her tight jeans Move slowly if you wanna get to know me

Love life, drive slow
Let the stars hidden in your mind glow
Cadillac dreams,
Pack your troubles in the trunk of the limousine
Black lights, high heels
A fine lady moving in her tight jeans
Move slowly if you wanna get to know me

Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies

Cadillac dreams, Vack your troubles in the trunk of the limousine Take your time if you wanna get to know me

Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
Hit the switch, visualize
Read the lights in the California skies
