Mum

I'm coming home
So take my picture off the wall
I'm coming home
I've had enough of being alone

Dad

I'll see you soon
Don't keep me talking on the phone
You're wasting time
I've gotta move
I'm going home

Since I've been away
It gets harder every day
I really have a lot to learn
She loved me at the start
Then she left and broke my heart
To my home I will return

Now I will come to you
Back to the only friends I know
You understand
Your love is true
I'm coming home

Since I've been away
It gets harder every day
I really have a lot to learn
She loved me at the start
Then she left and broke my heart
To my home I will return

Now I will come to you
So take my picture off the wall
You understand
I've had enough
I'm coming home

Had enough and so I'm coming home
Oow
I'm coming home mumma

Oow
