From the very first moment
That I met you girl
I was already your's
And you didn't even know

Now I'm on my knees
Begging baby please

Don't let me fall

When I look at you
Words just can't explain
Your beautiful
In every Way

Here on my mind
Is where you'll stay

Don't let me fall

You're my all in all
I need you in my arms
Baby that's where
You belong

When I dream
I only dream of you
You're on my mind
All of the time

And when I close my eyes
It all comes clear

Come back to me!

You're my all in all
I need you in my arms
Baby that's where
You belong

When we kiss
My heart goes into overdrive

Is this a dream?
Or could it be real

When I dream
I only dream of you
And I...

When we kiss
My heart goes into overdrive
I cant wait much longer
I'm going insane

When I dream
I only dream of you
And I don't lie

You're my all in all
I need you in my arms
Baby that's where
You belong

The End!
