I will speak careful formulations of defense, these wary  
methods  
Words with no echo, this is an unfair architecture  
And my fists surrender to my emotion

Canceling each other's experience  
With the intimidating sound of our voices  
Truth is the method of defense  
Passion cries out from our fiery blaze of words

They make monuments and we make no progress  
We could build a mansion with our million dollar  
Dollar words, dollar words, dollar words, dollar words

Canceling each other's experience  
With the intimidating sound of our voices  
Truth is the method of defense, defense  
Of our voices, truth is the method of defense  
Passion cries out from our fiery words

Blaze of words, blaze of words  
Our blaze of words, blaze of words

[Incomprehensible]  
[Incomprehensible]

Separate the widow from the bride  
Separate the widow from the bride  
Separate the widow from the bride  
Separate the widow from the bride

Separate the widow from the bride  
Separate the widow from the bride, yeah  
Separate the widow from the bride, yeah  
Separate the widow from the bride

Separate the widow from the bride  
Separate the widow from the bride

In this part of the story  
I am the one who dies

In this part of the story  
I am the one who dies, the only one
