Refrain:

When the Lord comes back again  
We will dance and we will pray  
No more words we have to say  
'cause we don't have to pay

vers:

My Lords here my Lords there  
My Lords always everywhere  
You can jump you can dance  
You can say that he's your friend  
he's a dad with power and glory  
Listen up I'll tell a story  
Jesus Christ he died for us  
They spat at him and nailed him to a cross  
But the only way to save my soul  
Is Jesus Christ who reached that goal  
He was the one who beat the devil  
And brought us up to a higher level  
Your lifes here your lifes there  
Your lifes almost everywhere  
To save yourself from falling  
Start to search and start to call him

Vers:

it's a hard hard road you have to go  
A lonely street but not alone  
A life with lots of joy and pain  
But this lifes better not the same  
Your past is dead your sins are gone  
don't turn away you are going wrong  
don't forget he's your dad  
don't be worried don't be sad  
What you need is what youve got  
cause Jesus Christ is the Son of God  
he's waiting for you everyday  
To you he has so much to say  
To bring you ome to dry your tears  
Open your heart and have no fear  
Now when he comes you'll come alive  
You will shout and you will cry
