Run far away from what you have created  
You have created this drama  
Dancing around the truth

My God rain down power  
My God rain down fire  
War

With these diamonds you cut your throat  
Code red  
Cut throar victim  
The outside looks so good  
It is so simple and yet they don't find  
It is so simple and yet they don't mind  
They tradegy is the ignorance behing the clean casket  
On the outside they look so good  
They are walking to wall street in a straight jacket
