How can two people bein' in love so completely  
And in a few short years drift so far apart  
I just finished reading one of your sweet letters  
That you wrote before we made our sacred vows  
And the way you said you felt tonight you wrote it  
Is far from being the way you love me now  
How can two people bein' in love so completely  
And in a few short years drift so far apart  
A tiny thread from the vows holds us together  
You're still mine but I'm no longer in your heart  
[ el.banjo ]  
The only time I ever hear you say you'd love me  
Is when I get the nerve to ask you if you do  
And the way it sounds I know that you don't mean it  
And my kisses don't do a thing to you  
How can two people bein' in love...
