No way!  
You can't control bull  
Another day another justice will pay for it  
Swallow every  
Knife on this table  
Another day another year with you  
Shakes the crown every since

Scarcity of lust  
Behind this desperate feels  
Guess will kill more presidents  
Paint their faces for  
All the cash we'll get  
We'll sell yours suddenly

Where are you now (where are you now)  
We waited so long  
New hearts will never be the same  
Will I ever will be the same?

Raise the bar  
Let the fire  
Burn yourself  
When you sell yourself sell yourself

Scarcity of lust  
Behind this desperate feels  
Guess will kill more presidents  
Paint their faces for  
All the cash we'll get  
We'll sell yours suddenly

Where are you now (where are you now)  
We waited so long  
New hearts will never be the same  
Will I ever will be the same?

My heart will ever  
Hearts will never  
Hearts will never  
Hearts will never...

(Scarcity of lust)  
(Scarcity of lust)

We need to face this for  
All the cash we'll get  
We'll sell yours suddenly

Where are you now?  
We waited so long  
Now hearts will never be the same

Where are you now?  
We waited so long  
New hearts will never be same  
My heart never will be the same

The same  
The same!
