Sometimes I'm crying
I feel like dying
there's a burden on my soul
I want to know you
intimately Lord
deeper closer than I already know

build my desire Lord and fill me up
I'm waiting for you Lord please reign in me

CHORUS:
and I long for you
and I long for more of you
and I long for you
and I long for more of you

sometimes I'm burning
I crave your presence
I yearn to touch your holiness
with deep devotion
awesome wonder Lord
I dedicate m y life to seek your face

build my desire Lord and fill me up
I'm waiting for you Lord please reign in me

- Chorus -

BRIDGE:
want you reign in me

- Chorus -

- Bridge -

sometimes I'm crying
I feel like dying
there's a burden on my soul
