Verse:

Lord I lift your name on high  
Lord I love to sing your praises  
I'm so glad you're in my life  
I'm so glad you came to save us.

Chorus:

You came from heaven to earth to show the way  
From the earth to the cross my debt to pay  
From the cross to the grave  
From the grave to the sky  
Lord I lift your name on high

Rap:

Jesus Jesus you're the one I'm living for  
Two thousand years ago you opened up that  
Closed door  
For me many thanks, for my enemies my friends  
Please let your light shine at any time through me  
So shout it out, shout it out, shout it out loud  
Jesus tell me how I can learn from you now  
So shout it out, shout it out, shout it out loud  
Everybody pray, let me hear a big shout
