I iron and I sew as I watch the late show  
But something moist keeps getting in my eyes  
He called and said don't wait  
He'd be working late

And so another lonely night goes by  
Meanwhile down at Joe's some music's playing

I can almost see him there holding her so tight  
Meanwhile here at home the baby's crying  
All in all it's just another night  
I polish and I clean and read a magazine

It's time for bed he'll soon be slipping in  
Tomorrow he will be sweet and kind to me  
He'll love me until he works late again  
Meanwhile down at Joe's
