Two times up and three times down everybody knows
that's the way to drown
And then it's too late to swim into the shore
And this'll be the third time you left me for her
There ain't gonna be no another time ain't gonna be no
another time
When you leave you'd better pack cause you ain't a
comin' back
No there ain't gonna be no another time

Before we explain what I'm talkin' about three strikes
babe and then you're out
You've already had two swings at the ball just one more
and I'm afraid that's all
There ain't gonna be...
[steel]
I've always heard about the third time charm
And this is the strip number three that you've made to
my arms
I hope you'll find what you're looking for
Cause I'm changing the lock on my front door
There ain't gonna be...
There ain't gonna be...
There ain't gonna be...
