Once I thought your love I'd win but your old flame  
showed up in town again  
Now I know your love I lose I've got a one way ticket to  
the blues  
I've got a one way ticket to the world that's full of tears  
All my dreams and hopes are gone we built up through  
the years  
Seems I can't win I always lose I've got a one way ticket  
to the blues  
[ fiddle - steel ]  
I've tried to find somebody new but in my heart there's  
only room for you  
You gave me something I can't lose I've got a one way  
ticket to the blues  
I've got a one way ticket...
