If you don't want me baby if you're not satisfied
If you don't care get on your horse and ride ride ride

Since you got on your high horse those fancy friends
you've found
You have a hard time seeing me you're always looking
down
If you don't want me baby...

You talked about me honey you tried to tear me down
But while you're throwing dirt at me you're only losin'
around
If you don't want me baby...
[fiddle]
I'll have your second fiddle returned to you today
Cause baby that's one instrument I've never learned to
play
If you don't want me baby...
If you don't want me baby...
