We're [Incomprehensible]

We are smashed men, still moving
We tried everything in the book
No stranger to failure
Death with a steady heartbeat

Scratching into any surface it wants
Joy and beauty rejected so many times
A world of hurt, a heart of false hope

And while we thought
That we were learning how to live
We have been learning how to die
I should have known, we will be legends

Our homes and dreams
And our worst nightmares
Our worst nightmares have now come true

Tonight when this detain falls on men
Driven by an instinct more powerful than life itself
From horror to hope
From hope to devastation

And while we thought
That we were learning how to live
We have been learning how to die
I should have known, we will be legends

Overfed and concerned
It came with taste and claw
Oh, hated form of emotion
You have become so obvious
My friend, the fatal habit of being myself

Okay, there's hope
Step down with all your friends
Okay, there's hope
Step down with all your friends
Okay, there's hope
Step down with all your friends

Okay, there's hope
Step down with all your friends
Okay, there's hope
Step down with all your
