Stop drop and roll i feel like burning
Combustion take me from here
Precipitation wont leave me alone
Its raining repetition

Carry on disposition
I hope your protection can carry me

Wall to wall they've got us surrounded
Outnumbered
Its tired in here
And you look all the same to me.
You live what you've murdered
You've killed romance
Don't hesitate just turn to love
Just turn to

Drink your mouth shut
There's no crying in rock n' roll
Strike ignite
Burn baby take me w/ you
