You want me to prove my love for you  
But I'm surprised that the way you're asking me to  
You've known me so long I can't understand what kind  
of a girl do you think I am  
What kind of a girl do you want for a wife  
Do you want a girl who knows that much about life  
Well if that's what you want take me out of your plans  
What kind of a girl do you think I am  
[ steel ]  
What kind of a girl would do the things you're askin' me  
to without wedding rings  
Is it what you must do to prove you're a man what kind  
of a girl do you think I am  
What kind of a girl...  
What kind of a girl do you think I am
