Visit "[Your Old Love Letters](#)" on MotoLyrics.com

Today I burned your old love letters I burned them
slowly one by one
Before I'd light the flame I'd read them to try and find
the wrongs I done
The first you wrote me was the sweetest the last one
broke my heart in two
And all alone I left you weeping for the ashes of your
letters tied in blue
[el.banjo]
As I burned your old love letters I watched my dreams
go up in smoke
I lived again those precious mem'ries I heard each
tender word you spoke
The first you wrote me was the sweetest the last one
said that we were through
Our love is there among the ambers in the ashes of
your letters tied in blue
