(Verse)

She look good when she wakes up in the morning
Even better than she did last night
And when she smiles at me and kisses my cheek
I'm thinking Lord I must be living right
I ain't about to say I ain't lucky
But some might say I'm a fool, yeah
The chances are I'm doing fine so far
'Cause her mama even said I'm cute

(Chorus)

She gets me higher than Georgia pine
Wild as a muscadine wine
Hotter than the deep south summer time
Yeah everybody knows she's mine
That's right

(Verse)

Well it might be a couple kind of like her
But rest assure brother this one mine
I'd be right tearing up my pocket
She got my name tattoo'd where the sun don't shine
Saw you looking when she walking with me
I don't blame you she's a hell of a girl, now
I know how you feel it ain't no big deal,
I'm the luckiest man in the world

(Chorus)

She gets me higher than Georgia plain
Wild as a muscadine wine
Hotter than the deep south summer time
Yes everybody knows she's mine
That's right

Hit it!

Yeah oh-ohho

Hey!

Right now

(Chorus x2)

She gets me higher than Georgia plain
Wild as a muscadine wine

Hotter than the deep south summer time
Yeah everybody knows she's mine

(Outro)
Yeah everybody
You know everybody
Seems like everybody
Everybody knows she's mine
