(Chorus)

I'm gonna love you six ways to Sunday  
I wanna do it like it's never been done  
I'm gonna love you six ways to Sunday  
I wanna hear that woman speaking in tongue

(Verse)

Brother I've been backsiding us a little too long  
You think I know by now what's right and what's wrong  
Living it up when the sky's ain't blue  
Chasing my tail a couple other one's too

(Chorus)

I'm gonna love you six ways to Sunday  
I wanna do it like it's never been done  
I'm gonna love you six ways to Sunday  
I wanna hear that woman speaking in tongue

(Verse)

Honey I'll pick up mistakes and drink the straight line  
too  
Long as I get a chance to lay my hands on you  
I got my mind right toed in the line  
Look up and tell me does my halo shine

(Chorus)

I'm gonna love you six ways to Sunday  
I wanna do it like it's never been done  
I'm gonna love you six ways to Sunday  
I wanna hear that woman speaking in tongue

(Bridge)

You knocked the angel right out off of my shoulder  
Right away my little devil took over  
Woman if you need a disciple  
We can have a little revival

(Outro)

I'm gonna love you six ways to Sunday  
I'm gonna love you six ways to Sunday  
I'm gonna love you six ways to Sunday  
I'm gonna love you six ways to Sunday

Yeah
