It's been such a long time
I can't remember the pain
Thoughts reveal my agony
And sorrow shall always remain
Shadows of forgotten lies
Will breed my insanity
I hold this unknown truth
Breaking from the world that blinds me

Cries inside my head
Rebellion, unintended game
Death whispers sweet tales
To a mind that has gone insane
Will I ever see myself
For the mirror hides the shame
Lost now in anguish
The time consumes the pain

Fear has struck my heart
Life is such a deadly game
No more time must runaway
My eyes have seen the pain
The end is coming on
Myself is killing me!
