Can you see me trough that light  
I've been hiding  
For a long, long time  
I'm getting tired waiting for you  
Somebody please, tell me what to do

I've been hurt, hurt  
To many times  
I've been hurt, hurt  
To many times

There for I'm living in a twilight zone  
Got to get out, I'm loosing control

All my friends are doing all right  
I'm the only one who has to fight  
I'm so down,down as hell  
In the gutter that's where I belong

I've been hurt, hurt  
To many times  
I've been hurt, hurt  
To many times

There for I'm living in a twilight zone  
Got to get out, I'm loosing control

I've been hurt, hurt  
To many times  
I've been hurt, hurt  
To many times

There for I'm living in a twilight zone  
Got to get out, I'm loosing control

I'm a loner who is out of work  
No religion and got no church ya  
I'm a loser with nothing to lose  
Just somebody whose getting \_\_\_\_\_

I've been hurt, hurt  
To many times

Iâ€™ve been hurt, hurt  
To many times

[Overlapping]

There for Iâ€™m living in a twilight zone

Got to get out, Iâ€™m losing control

Iâ€™ve been hurt, hurt

To many times

Iâ€™ve been hurt, hurt

To many times

Iâ€™ve been hurt, hurt

To many times

Iâ€™ve been hurt, hurt

To many times
