I will seek for you until I'm blind
'till I'm purified
Lay my hands on cold, cold ground
Feel the engraved lines
Guess you thought you could play hide and seek,
little you knew that 'till my last heart-fucking-beat,
we will meet, you shall see

I CAME TO SEARCH YOU IN THE NAME OF THE REGRET
WHILE MY LIFE CAME DOWN FROM THE SKY
LIKE RAIN TO COVER YOUR SECRETS
I SWEAR I'LL FIND YOU IN THE NAME OF THE REVENGE
YOU'VE PLAYED YOUR ROLE AS A BAIT
ON DEATH'S TERRITORY

Let the land of the empire burn
Keep standing by my side
Everything that I'll take they will break
Let the heart of the sacred believers burn
Never thought it would come real
Never thought how disgusted I would feel
Always thought that the heart of the people would know
'bout a fear, regret and forgiveness

I came to search you...

WHILE MY LIFE CAME DOWN FROM THE SKY
LIKE RAIN TO COVER YOUR SECRETS
SWEAR I'LL FIND YOU IN THE NAME OF THE REVENGE
YOU'VE PLAYED YOUR ROLE AS A BAIT
ON DEATH'S TERRITORY

Pray, pray - there was even hell
Pray, pray - make you wish there was even hell
Make you wish there was even hell
Pray, pray - for one last time
Pray, pray - make you wish there was even hell

After all what we live for,
even the darkest clouds of my life got silver lines,
my love
