Life is a riddle  
And you're in the middle of love  
Hey diddle diddle  
Your heart is a fiddle for love  
Over the moon that swings  
In a preposterous sky  
You'll see a cow with wings  
Cause of the love in your eyes

You sit & twiddle  
You're caught in the middle of love  
Hot as a griddle  
That is what is the middle of love  
Whenever you fight that urge  
Let that old blood pressure surge  
Be like a kitten  
Be happy you did it for love

Life is a riddle  
And you're in the middle of skoo doody doo

Hey diddle diddle  
Your heart is a fiddle for love  
Over the moon that swings  
In a preposterous sky  
You'll see a cow with wings  
Cause of the love in your eyes

You sit & twiddle  
You're caught in the middle of skoo doody doo  
Hot as a griddle  
That is what is the middle of love  
Whenever you fight that urge  
Let that old blood pressure surge  
Be like a kitten  
Be happy you did it for love

No one forbid it  
You better get with it  
You're in the middle of  
Love
