(verse)

I am hatred, I'm the chaos inside  
I control you, there's no way you can hide

(pre)

All that I wanna be  
keeps you inside of me  
I'm not gonna set you free this time

(chorus)

Help me, god help me  
I'm afraid  
Evil, I'm evil  
I can't escape this fate

(verse)

I'm a murderer, I'm the fear in your head  
I'm a demon, makes you screaming for help

(pre)

It's not who I wanna be  
It's not who you wanna see  
It's just a horrible memory  
I won't let the demon inside take over  
I can see clearly now  
I see the future now  
I don't want the sun to fade away

(chorus)

(bridge)

Mental Circus, my own circus  
welcome to the mental circus  
Mother, father, tell me why  
questions killing me  
no one can see

(chorus)

(post)

I wanna fly away someday  
Far far away from you  
from you
