Oh, Oh woah

You took me to the other side
Oh, Baby
I'm feelin' like we're alone
And maybe you'll be the one that i love
Yeah, Maybe some day you could be the one

Oh oh oh
Oh oh oh, Yeah
Oh, oh
Oh woah oh oh

I can see beyond the year
And i know how the story unfolds
And, baby, you're my only sign of love
And you're the only girl that i think of

(So call me)
I wanna have your love, your love
(So call me)
Give me your attention, Love
(So call me)
I wanna be your only love
(So call me)
I wanna have all the above

(Oh, oh) I just want
To hear you say
"I love you, baby."
And i know
When your gone
I know
You're wanting me

Na na na nana
Na na na nana
Na na na nana, Uh(X2)

Oh, oh
Oh, oh
Yea-ah-ah

Yea-ah-ah

So call me from the other side
And i'll give you all my space and my time
Cause, baby, you're the right kinda love
Yeah, you're the only one that i'm thinking of

(So call me)
I wanna have your love, your love
(So call me)
Give me your attention, Love
(So call me)
I wanna be your only love
(So call me)
I wanna have all the above

(Oh, oh) I just want
To hear you say
"I love you, baby."
And i know
When your gone
I know
You're wanting me

Na na na nana
Na na na nana
Na na na nana, Uh(X2)

(So call me)
Na na na nana
Na na na nana
(So call me)
Na na na nana, Uh(X7)

Na na na nana
Na na na nana
Na na na nana, Uh
