The other night dear, as I lay sleeping  
I dreamed I held you in my arms  
But when I awoke, dear, I was mistaken  
So I hung my head and I cried

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

I'll always love you and make you happy  
If you will only say the same  
But if you leave me and love another  
You'll regret it all some day

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

You told me once, dear, you really loved me  
And no one else could come between  
But not you've left me and love another  
You have shattered all of my dreams

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

In all my dreams, dear, you seem to leave me  
When I awake my poor heart pains  
So when you come back and make me happy  
I'll forgive you dear, I'll take all the blame

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away
