I'm on the ropes, I'm on the ropes of life
Don't you see me sweat, can't you see me cry?
My hands are tied tight, they're up in the sky
I don't wanna fight - I don't wanna fight
Â
Don't you love me anymore?
Don't you love me?
Don't you love me anymore?
Don't you love me?
Â
Cause lately I've been thinking
And when I think I start drinking
What's life without love nearby?
Even though you're looking in my eyes
It feels like you're somewhere else in your mind
And I hope you come back sometime
Â
So I can say goodbye, goodbye
Goodbye my love, this is not right
Weâ€™ve had our run, weâ€™ve had some fun
Weâ€™ve said our good mornings, now itâ€™s time to
say goodnight
Â
Don't you love me anymore?
Don't you love me anymore?
Don't you love me anymore?
Don't you love me anymore?

Ever since you turned my world on it's head
Pulled me in close and kissed me in bed
I knew, I would never, come out - the other end again
We built this whole doll house world together
Filled it with hope oh boy weren't we clever
Never thought that things, would change on that red
April morning

On that red April morning
On that red April morning (On my own)
Oh, I can do this on my own (On my own)
Oh, I can do this on my own (On my own)
Yeah, I can do this on my own (On my own)

Cause lately I've been drinking
And when I drink I start thinking
What's life without love nearby?
Even though you're looking in my eyes
I feel like you're somewhere else in your mind
And I hope you come back sometime
Â
So I can say goodbye, goodbye (On my own)
Goodbye my love, this is not right (On my own)
We're had our run, we've had some fun (On my own)
We've said our good mornings, now it's time to say
goodnight (On my own)

But I still love you.
Oh, I still love you.
Oh, I still love you.
Yes I do.
