Thats the story so far  
The story so far away.  
You're taking it wrong  
Taking it longer to fade.

Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies.

We destroyed it from the inside out  
And I told you.  
We destroyed it from the inside out  
And I told you, I told you.

Thats the version we tell  
The version we told is all wrong  
We change with the times  
Changing the lines all along

Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies. (lies)

We destroyed it from the inside out  
And I told you.  
We destroyed it from the inside out  
(5x) And I told you, I told you.  
(3x) told you

Now that you really see  
See what you have done to me  
And did you really need?  
The needle you dug into me?

Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies  
Little White Lies.  
Little White Lies. (lies)

(2X)We destroyed it from the inside out  
And I told you.  
We destroyed it from the inside out  
And I told you, I told you.  
(4x)And I told you, I told you  
(3x)Told you
