Jethro got himself a Milk Cow and he called her Bess
Jethro got himself a Milk Cow and he called her Bess
Milk Cow, in the morning,
Milk, oohh any time at all

He can tell the early of the morning, by the rooster call
He can tell the early of the morning, by the rooster call
Milk Cow, in the morning,
Milk Cow, oohh any time at all
any time, any time at all

Give you life time of pleasure, all she needs is love
Give you life time of pleasure, all she needs is love
Milk Cow, in the morning,
Milk, oohh any time at all
any time at all
any time, any time
any time at all
any time
Jethro got himself a Milk Cow
