I need you by my side
I need you to be my bride
So won't you please, please be true
And darling, if you do...

I'm gonna give you all (all the love I've got)
All the love I've got (all the love I've got)
All the love I've got (all the love I've got)
Yeah, yeah, yeah, yeah (all the love I've got)

Treat me sweet, treat me kind
And say you'll be only mine
Just comfort me when I'm blue
And darling, if you do...

I'm gonna give you all (all the love I've got)
All the love I've got (all the love I've got)
All the love I've got (all the love I've got)
Yeah, yeah, yeah, yeah (all the love I've got)

Treat me right when I'm wrong
Be my strength and make me strong
Stay with me when friends are few
And darling, if you do...

I'm gonna give you all (all the love I've got)
All the love I've got (all the love I've got)
All the love I've got (all the love I've got)
All the love (all the love I've got)

(All the love I've got)
(All the love I've got)
(All the love I've got)
(All the love I've got)

Treat me right when I'm wrong
Be my strength and make me strong
Stay with me when friends are few
And darling, if you do...

I'm gonna give you all (all the love I've got)

All the love (all the love I've got)
All the love I've got (all the love I've got)
Yeah, baby all, uh-huh (all the love I've got)

(Fading)

Let me give you my love (all the love I've got)
Baby let me give you...
