I love to walk outside
I look down on the ground
What do you think I'll find?
Waht do you think I've found
A beautiful bottle cap
Purple orange silver gold and green
I'll take it home with me.

Collecting bottle caps bottle caps
Bottle caps bottle caps every one I see
Collecting bottle caps bottle caps
Bottle caps bottle caps every one I see

I love to pick up shells
I find them by the sea
I love to pick up shells
Some for you and some for me
I love to pick up shells
I'll bring them home with me
And put my shells on the shelf and keep

Collecting bottle caps...

I love to pick up rocks
Big and small ones too
I love to pick up rocks
Some for me and some for you

I love to pick up rocks
I'll take them home with me
And put my rocks in a box
And my shells on the shelf and keep

Collecting bottle caps...

I like to pick up string
I find it one two three
I like to pick up string
Some for you and some for me
I like to pick up string I'll take it home with me
And put my string in something

And my rocks in a box
And my shells on the shelf and keep

Collecting bottle caps...

I've got some new ones old ones
Blue ones gold ones every one I see
I've got some red ones brown ones
Flat ones round ones every one I see

Collecting bottle caps bottle caps
Bottle caps bottle caps every one I see
