Br3ndan:

Na (12x)

Na (12x)

Na (12x)

Na (12x)

Br3ndan:

Every day you told me what to do.

Big Time Rush (Kendall & Carlos):

And every day I would go on the floor for you.

Big Time Rush (James & Logan):

And I could not tell you how I feel.

Br3ndan:

And I couldn't keep you waiting.

All:

I don't need you now to come Between Us. I'm fine all by myself.

I don't need you now because you would never be the same.

I don't need now because I'm happy with all my friends right now.

I don't need you.

Br3ndan:

Na (12x)

Na (12x)

Na (12x)

Na (12x)

Every day I couldn't stay with you and I would what I would say to you.

OOOh YEA!

Big Time Rush (Logan):

And I wouldn't stand a chance between you.

Big Time Rush (Kendall):

Between You (2x)

Both:

I don't need you now to come Between Us. I'm fine all
by myself.
I don't need you now because you would never be the
same.
I don't need now because I'm happy with all my friends
right now.
I don't need you.

Br3ndan:
Oh. I can't get away I just can't get away. But I can see
that you lied but
Not just too my. Hearrrt!
Both:
I don't need you now to come Between Us. I'm fine all
by myself.
I don't need you now because you would never be the
same.
I don't need now because I'm happy with all my friends
right now.
I don't need you.

Br3ndan:
Na (12x)
I don't need you
Na (12x)

Big Time Rush (Logan & James):
Or just need you.

Br3ndan:
Na (12x)

Big Time Rush (Kendall & Carlos):
Or just get away.

Br3ndan:
Na (12x)
Or get away.
