The sweet things you do to me like holding my hand
When I'm low you let me know you always understand

And, I know the way you love
You make me feel so fine
I love the way you love
Because I know you're mine, all mine

I'll never do you wrong, I'll never make-a you cry-y-y
If you stop loving me I know that I'll just die

Because I love
Yay, it makes me feel so fine
And I love the way you love
Because I know you're mine, all mine

Folks tell me now and then Find somebody new
I don't care what the people may say, I'm stickin' right
here with you

Because I love
Yay, yay, I know
And I love the way you love
Because I know you're mine, all mine

Folks tell me now and then Find somebody new
I don't care what the people may say, I'm stickin' right
here with you

Because I love
Yay, it makes me feel so fine
And I love the way you love
Because I know you're mine, all mine

One more time!

I love
The way you hold me, baby

Yay, a-yay, a-yay
I love the way you love
