This is me, this is me
This is me and my energy

This is me, this is me
This is me and my energy

I'm gonna wiggle my legs
I'm gonna click my heels
I'm gonna stomp my feet
Because I have energy

Oh this is me, this is me
This is me and my energy

This is me, this is me
This is me and my energy

I'm gonna wave my arms
I'm gonna shake my hips
I'm gonna jump to the sky
Because I have energy

Oh this is me, this is me
This is me and my energy

This is me, this is me
This is me and my energy

I'm gonna clap my hands
I'm gonna shake my head
I'm gonna yell out loud
Because I have energy

Oh this is me, this is me
This is me and my energy

This is me, this is me
This is me and my energy

And it's the only thing
That I can be

Yeah I'm the only thing
That I can be

Me - Me - Energy
Me - Me - Energy
