[CHORUS]

Seven nights to rock
Seven nights to roll
Seven nights I'm gonna show my face
With a different woman
In a different place
Seven nights to rock
Well I've got seven nights to roll

Monday I'm gonna rock with Jane
Tuesday it's gonna be Lorraine
Wednesday it's Estelene
Thursday Betty-Sue and me
Friday it's Linda-lou
Saturday and Sunday any chick will do

[CHORUS]

Monday sister Suzie's ball
Tuesday I'm at the union hall
Wednesday I'm at the roadhouse inn
Thursday I'm at the lion's den
Friday I hit the chatterbox
Saturday and Sunday everybody rocks

[CHORUS]

Monday sister Suzie's ball
Tuesday I'm at the union hall
Wednesday I'm at the roadhouse inn
Thursday I'm at the lion's den
Friday I hit the chatterbox
Saturday and Sunday everybody rocks

[CHORUS]
