I'm a little sneak I hide and seek  
Behind the closet door  
I'm a little sneak I like to creep  
Across the bathroom floor  
I'm a little sneak I'm peeking out  
From underneath the bed  
I'm a little sneak I'm hiding  
With the sheets over my head

But when I come out it's time to say it  
Two sneaks are more fun to play with  
And when I come out it's time to say it  
Three sneaks are more fun to play with  
And when I come out it's time to say it  
Four sneaks are more fun to play with

La di da di da da  
La di da di da da  
La di da di da da

I'm a little sneak you'll never know

The places that I hide  
I might behind a tree  
But you won't look outside  
I'm a little sneak I'm small enough to fit into tight  
Spaces  
I'm a little sneak and I know  
All the sneaky hiding places

When I come out it's time to say it  
Two sneaks are more fun to play with  
And when I come out it's time to say it  
Three sneaks are more fun to play with  
And when I come out it's time to say it  
Four sneaks are more fun to play with

La di da di da da  
La di da di da da  
La di da di da da  
La da di da
