If I could escape I would but, first of all, let me say
I must apologize for acting stank and treating you this
way
Cause I've been acting like sour milk all on the floor
It's your fault you didn't shut the refrigerator
Maybe that's the reason I've been acting so cold?

If I could escape and recreate a place that's my own
world
And I could be your favorite girl (forever) perfectly
together
Tell me boy now wouldn't that be sweet? (sweet
escape)
If I could be sweet
I know I've been a real bad girl (I'll try to change)
I didn't mean for you to get hurt (what'soever) we can
make it better
Tell me boy now wouldn't that be sweet? (sweet
escape)

I want to get away to our sweet escape
I want to get away, yeah

You held me down, I'm at my lowest boiling point
Come help me out, I need to get me out of this joint
Come on let's bounce, counting on you to turn me
around
Instead of clowning around, lets look for some
common ground
So baby, times get a little crazy, I've been gettin' a little
lazy
Waitin' on you to come save me
I can see that your angry by the way that you treat me
Hopefully you don't leave me, wanted you with me

If I could escape and recreate a place that's my own
world
And I could be your favorite girl (forever) perfectly
together
And tell me boy now wouldn't that be sweet? (sweet
escape)
If I could be sweet (sorry boy)

I know I've been a real bad girl (I'll try to change)
I didn't mean for you to get hurt (what'soever) we can
make it better
And tell me boy now wouldn't that be sweet? (sweet
escape)

If I could escape
If I could escape
Cause I've been acting like sour milk all on the floor
It's your fault you didn't shut the refrigerator
Maybe that's the reason I've been acting so cold

If I could escape and recreate a place that's my own
world
And I could be your favorite girl (forever) perfectly
together
And tell me boy now wouldn't that be sweet? (the sweet
escape)
If I could be sweet

I know I've been a real bad girl (I'll try to change)
I didn't mean for you to get hurt (what'soever) we can
make it better
And tell me boy now wouldn't that be sweet? (the sweet
escape)

I want to get away to our sweet escape
I want to get away, yeah
