[Verse 1]

It's been said and done
Every beautiful thought's been already sung
And I guess right now here's another one
So your melody will play on and on, with best we own
You are beautiful, like a dream come alive, incredible
A center full of miracle, lyrical
You've saved my life again
And I want you to know baby

[Chorus]

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby

[Verse 2]

Cursing me, boy you played through my mind like a symphony
There's no way to describe what you do to me
You just do to me, what you do
And it feels like I've been rescued
I've been set free
I am hyptonized by your destiny
You are magical, lyrical, beautiful
You are... I want you to know baby

[Chorus]

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby
I, I love you like a love song, baby
I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

[Bridge]

No one can pause

You stand alone, to every record I own

Music to my hear that's what you are

A song that goes on and on

[Chorus]

I, I love you like a love song, baby

I, I love you like a love song, baby

I, I love you like a love song, baby

And I keep it in re-pe-pe-peat

I, I love you like a love song, baby

I, I love you like a love song, baby

I, I love you like a love song, baby

I love you... like a love song...
