on the back of his head
cant believe he caught her staring
and she's pulling him in
she's reaches down under his breathe is getting
deeper
now she's moving fast
then he blinks and she's missing thats when he starts
sweatin
she got away with his cash

It's the boom boom boom it's the beat of the drum
It's the hot hot hot it's the heat of the summer
It's the boom boom boom it's the beat of the drum

its his best friends women no harm in just flirting
until he woke up with her
