Fame and fortune and pain the things that you've
gained

Grey goose and champagne they'll take ya for
everything ya got till ya

Got no more, gonna bleed you dry baby thats for sure

Vain

So hopelessly vain

All hail to the king

All in designer clothing

(CHORUS)

You can't buy love with ya credit card

You can't get high with the friends you lost

It comes down to the house of cards

You lose your way you lose your way

The sun goes up on the wave you ride

But it all comes down and you wonder why

It's gone too late till ya realize

That you lose your way you lose your way

yeahhhhhh

Maze, your heads in a daze, caught up in the chase

As long as it pay, they take you for everything you got
till ya got no

more

Gonna bleed ya dry baby thats for sure

Shame, have you got no shame

Break out the shades pretend its what you wish for

CHORUS

Everything ya got till ya got no more

Gonna bleed ya dry baby thats for sure

Shameeeee

Have you got no shame

All hail to the king

All in designer clothing
