So many reasons for you to happy, rnso many reasons
for you to be smilin', rnbut your not about to see
em, rnyour not about to feel em, rnyour not about to be
em, rnyou don't believe them. rn rnso many reasons for
you to be angry, rnso many reasons its not the way you
planned it, rnbut all you can do is see em, rnall you can
do is feel em, rnall you can do is let em be. rn rnLife
happens, rnwhile your making other plans, rnlife
happens, rnwhile your trying to understand, rnwhen
your kickin' it in the shade, rnand your thinkin' you got
it made, rnlife is gonna happen to you anyway. rnlife
happens (x2) rn rnyour lost at sea like a ship without a
captain, rndrifting endlessly around imaginary
islands. rnthe things your missing, rnthe moments
slipping, rnso stop your wishin', rnand start
listenin'. rnthere's too much whining, oh woah oh oh
oh oh oh. rntoo much complaining, yeah e yeah e yeah
yeah. rnwe should be laughin, rnwe should be
kissin, rnwe should be here right now! rn rnLife
happens, rnwhile your making other plans, rnlife
happens, rnwhile your trying to understand, rnwhen
your kickin' it in the shade, rnand your thinkin' you got
it made, rnlife is gonna happen to you anyway. rn rnlife
happens when your waiting for the bus, rnlife happens
while the days collecting dust. rndon't be givin' it all
away, rnstart livin' it for today, rn'cuz life is gonna
happen to you anyway. rn rnlife happens, rnand most of
it's out of your hands, woah oh, rnso why don't you get
up and dance?, rnJust dance. rnJust dance, oh woo ooh
ooh, just dance. rn rnso many reasons for you to happy,
rnso many reasons for you to be smilin', rnwe should
be laughin, rnwe should be kissin, rnwe should be here
right now. rn rnlife happens, rnwhile your making other
plans, rnlife happens, rnwhile your trying to
understand, rnwhen your kickin' it in the shade, rnand
your thinkin' you got it made, rnlife is gonna happen to
you anyway. rn rnLife happens, rnwhile your walkin'
down the street, rnlife happens, rnwhile your shuffling
your feet. rndon't be givin' it all away, rnstart livin' it
for today, rn'cuz life is gonna happen to you
anyway. rn rnlife happens, rnwhen your waitin' for a
call, rnlife happens, rnwhen you think you've got it

all, rnlife happens, rnwhen your cleaning up a
mess, rnlife happens, rnwhen your busy gettin\
dressed, rnlife happens, rnwhen your dancing in the
dark, rnlife happens, rnwhen you\'ve got a broken
heart, rnlife happens, rnwhen your chillin\
in the sun, rnand when you meet the only one. rnlife
happens, rnwhen your running out of time, rnlife
happens, rnwhen your goin\
out your mind, rnlife
happens, rnwhen there\'s nothing left to do, rnlife
happens, rnit\'s still happening to you. rnlife happens
