Intro

Oh yes this goes out to all my special ladies
holding it down whenever they around ya know
through the highs and lows cons and pros a good girls
always there lets go

Chorus

You aint never got to worry bout anything because i
gotcha
i will always hold it down for you
Cuz all of the times you been there for me i call you
more than my shorty
You keep it real and stay true
I label you my good girl I will never keep your love on
the low
I label you my good girl anytime that you call me ill be
there cuz your my good girl

Verse 1

Shes everything i want
Everything that somebody needs
Makes me weak all up in my knees
Beautys only thing that i see
Yup its brandon vee
i fulfill your fantasies
You there for me so carefully
Yes my ride or d-i-e
So sexy head to toe
Sophisticated though
There for you you already know
Call me up and im on the go
my venus im your mars
drive around in exotic cars
there for me when those times were hard
Never thought that id be this far
When i couldnt get by
You were there by my side
In my heart and up in my mind
Forever you'll be mine

My good girl
Baby thats my word you coming first
No price on what you worth
I gotchu you aint never gotta

Chorus

You aint never got to worry bout anything because i
gotcha
i will always hold it down for you
Cuz all of the times you been there for me i call you
more than my shorty
You keep it real and stay true
I label you my good girl I will never keep your love on
the low
I label you my good girl anytime that you call me ill be
there cuz your my good girl

Verse 2

I love you something like science class
Cuz uh theres so much chemistry i knew it would last
I knew you'd laugh
never mind stupid games
never mind making pain
Never mind haters saying
things that'll make us change
Hi hater I thank ya
for doing us the favor
You made us stronger
Lasting it all the longer
So dueces
While we just ride off in the whip thats roofless
We bumping music
Thats how me and shawty do it

Chorus

You aint never got to worry bout anything because i
gotcha
i will always hold it down for you
Cuz all of the times you been there for me i call you
more than my shorty
You keep it real and stay true
I label you my good girl I will never keep your love on
the low
I label you my good girl anytime that you call me ill be
there cuz your my good girl

Verse 3

No matter the weather she there for me when ever i
need
Ya boy from the nyc
kill any track even r&b
Smile sparkle like jewelry
cant believe what she do to me
Wifey status thats soon to be
Dont believe me now baby please
A fine gentlemen
Im just looking to settle in
And no im not a player in case you wondering
Im more than a smooth operator
Puerto rican black flavor
Money maker and i'm hoping that i see you later

Chorus

You aint never got to worry bout anything because i
gotcha
i will always hold it down for you
Cuz all of the times you been there for me i call you
more than my shorty
You keep it real and stay true
I label you my good girl I will never keep your love on
the low
I label you my good girl anytime that you call me ill be
there cuz your my good girl
