I see you there, lying in the sun
I look on over, I want to run
Should I say hello, no I wouldn't dare
You are too beautiful, and wouldn't care
Those bright blue eyes, and long blond hair
Get lost right there, in that stare
It wasn't long, until we had it all
At that club, hearing one last call
"But I would not dare, to talk to you
Girl, you are so beautiful"
And to walk with you
'Cause you are so beautiful
You tell me about, this other guy
You didn't want him, it's a lie
Until 2:00 a.m., drinking straight
I didn't think it felt so late
You walked outside, and couldn't think
I carried you home, you had too much to drink
I know that time, that we had to meet

My throat was dry, and I couldn't speak
But I would not dare, to talk to you
Girl, you are so beautiful
And to walk with you
'Cause you are so beautiful
Those bright blue eyes they looked at mine
And made me feel all warm and fine
I'd hug you once before I said
This is our last, please don't go
Early next morning you arrived at my door
You hugged me quickly and wanted more
Kissing me once and saying good-bye
Walked back to your room, sat down to cry
But I would not dare, to talk to you
Girl, you are so beautiful
And to walk with you
'Cause you are so beautiful
Just to talk to you, and walk with you
'Cause you are, you are so beautiful
