"Break Before I Bend"

A thousand waves, get lost in a maze of emptiness
Trust is a lie, I've seen with both eyes as it's taken away

If it's cold
I'll break before I'll bend
Cause its all
It's all wasted again

So wise to turn, to turn and walk away
The cold can burn, but why am I to blame?

If it's cold
I'll break before I'll bend
Cause its all
It's all wasted again

If it's cold
I'll break before I'll bend
Cause its all
It's all wasted again

If it's cold
I'll break before I'll bend
Cause its all
It's all wasted again
