Dreaming of a place in paradise
Water is wine, that'd be nice
Hope is there for some
But it keeps raining rum

Our stupid ways
Have led us here today

There are no rules so who belongs
We'll make mistakes of right and wrong
All that I can see, is where I want to be

Our stupid ways
Have led us here today

People can be bought
Some can't be reasoned, can't be taught
Go on roll the dice
To get to paradise

Our stupid ways
Have led us here today

Our stupid ways
Have led us here today
