Now picture this, my point of view  
In an ideal world I see the likes of you  
Such as it is, babes in the wood  
At the best of times I feel misunderstood  
No work, no play  
A million miles away  
Tender is the night  
I'm frantic today  
It makes no sense, youÂid think of me  
When I'm out of place in your society  
I want to be, where strangers meet  
I want to hold you at the dark end of the street  
No work, no play  
A million miles away  
Tender is the night  
I'm frantic today  
Is this the end, then let me know  
Are you wanting me to stay, or should I go?  
Your fancy words, spin fast and loose  
I'm too tongue-tied for the company you choose  
No work, no play  
A million miles away  
Tender is the night  
I'm frantic today
