You're seeking perfection,
but your disillusion are
leading to destruction
You're bleeding for salvation,
but you can't see,
that you are the damnation,
itself.

Your hatred's growing on
it's growing strong
and the devil's born
releasing poison to a mind
which is already torn
last days of innocence
now waste your self
have no regrets
tomorrow it's too late
you'll lose your soul
you'll burn in hell

[chorus]
how many years will you bleed
so many devils to feed
how long time to suffer
...is eternity
[chorus]

[solo: K.Ranta]
[solo: P.Lindroos]

Disease is moving on

it's spreading on
it's getting strong
black harmony tonight
too late to leave
too late to hide
cold wind which blows inside
can tell the truth you lost,
you died
the final ride is here
you'll see the truth

shall have no fear

[chorus]

how many years will you bleed

so many devils to feed

how long time to suffer

...is eternity

[chorus]

[solo: T.Planman]

[chorus]

how many years will you bleed

so many devils to feed

how long time to suffer

...is eternity

how many years have you been

blackhearted and mean

no rest for your soul

there will be no divinity

[chorus]
