Wasted the years believing  
A lying shit shoveling alcoholic  
One foot in the grave,  
The head in the toilet  
You should be kicked into orbit

And you should know you will fall  
God damn schizophrenic

Down you'll go  
All alone  
God damn king of fools

DOWN! no more excuses to hide your lies  
DOWN! down you go  
You're so easy to despise  
You tried to stop us  
With all your heart  
But you just can't tear us apart  
DOWN! down you go  
You're rotten to the core

In the darkness, (cold n) heartless,  
Fucking regardless, you just pressed charges  
Playing your shitty trick beat  
You tried to fool us by offering a treat

And you should know you will fall  
God damn schizophrenic

Down you'll go  
All alone  
God damn king of fools

DOWN! no more excuses to hide your lies  
DOWN! down you go  
You're so easy to despise  
You tried to stop us  
With all your heart  
But you just can't tear us apart  
DOWN! down you go  
You're rotten to the core

DOWN! no more excuses to hide your lies  
DOWN! down you go  
You're so easy to despise  
You tried to take more than what was yours  
But you can't steal our show  
DOWN! down you go  
You're rotten to the core
