Music: P.Lindroos & K.Ranta
lyrics: P.Lindroos
With drums by Niko Vierimaa

I saw a dream that can't be real
It takes me to my mind
Now look inside this evil dream of mine
I left you dying in the rain
Now you feel my fucking pain
You know I am insane
but in the end it's all the same

chorus:
In this dream I am only real
Take my hand and fly with me
again tonight
Far away in the shining moonlight

we are forever and
together we will die

chorus

Now you are dead and gone
I won't cry no more for you
I don't know why I'm going on
Now I am turning back for you
you are dead, it's all so true
After all this dream was real
now it's only pain I feel

solo: P.Lindroos
